

General English + 5 Business One-to-Ones

A combination course which allows you to enjoy the benefits of group learning while specialising in Business topics in individual one-to-one classes.

Course Outline

General English + **5 Business One-to-Ones** allows you to combine group General English classes in the morning and **private one-to-one Business English tuition** with an Atlantic teacher in the afternoon. Individual classes allow you to focus on the key areas of Business language and communication that are important to you. Our trainers will work with you to design classes to suit your professional needs – whether you are preparing for an important work event, building a specialist vocabulary, or simply hoping to improve your general Business English knowledge.

All courses take place at the Atlantic Centre of Education in Galway, on Ireland's Wild Atlantic Way, offering participants the chance to explore Irish and local cultural heritage through a week-long programme that includes a full-day cultural tour, a guided walking tour of Galway city, and afternoon social and cultural activities, with staff available to recommend additional events and excursions.
