

# English for Proficiency Level C2

If you already have an advanced level of English and wish to prepare for academic, professional or personal settings which require high competence in English, this is the course for you.

## Course Outline

**English for Proficiency** will cover advanced grammar, sophisticated vocabulary, and enhanced pronunciation training, along with skills for boosting Reading, Writing, Speaking, and Listening skills. Interactive materials cover topics such as cultural nuances and idiomatic expressions used in native English-speaking countries. Participants will have opportunities to analyse academic articles and literature excerpts, and practise expressing themselves with ease, coherence and cohesion.

All courses take place at the Atlantic Centre of Education in Galway, on Ireland's Wild Atlantic Way, offering participants the chance to explore Irish and local cultural heritage through a week-long programme that includes a full-day cultural tour, a guided walking tour of Galway city, and afternoon social and cultural activities, with staff available to recommend additional events and excursions.

# Objectives

Develop English Language skills to near native level

Expand your range of idiomatic expression and specialist vocabulary, explore advanced grammar questions, and practise nuances of pronunciation.

Share real-life challenges with your group and work on solutions.

## Added value of the mobility

Participants will refine their English language skills through in-depth analysis of complex grammatical, linguistic, and cultural questions.

## Activities to be carried out

- Focused workshops to analyse, explore, practice and consolidate English language skills.
- Cultural and heritage trips as part of a chaperoned group.
- Structured tasks and project work are designed to optimise language practice; debate, argument, and discussion based on studied materials.

## Expected outcomes and impact

This course provides a professional development opportunity for participants who wish to take their English language competence to the highest level. Through various activities, participants are invited to share knowledge and skills acquired with their colleagues. The opportunity to experience new cultural contexts and network with international colleagues is a further positive outcome.
